Application for Off-Campus Physical Education Instruction

In order for this application to be considered for any semester, it must be completed and returned to the student's counselor no later than the second week of the semester for which the application is made.

PURPOSE:

The purpose of the application for Off-Campus Physical Education Instruction is to accommodate **sophomore** students who are making serious efforts to develop high-level capabilities in individual, specialized areas of an activity by allowing them to be involved in programs offered **outside the district and not affiliated with UIL.**

STUDENT ELIGIBILITY:

Sophomores who participate in individual physical training programs that require a minimum of 15 hours of weekly intense, professionally supervised training, may apply to receive 8th period off in their daily schedule to pursue the outside training. Students must not be enrolled in Westlake athletics and must maintain sufficient state credits to graduate on time with their class.

Freshmen who are not participating in a Westlake athletic program but who are pursuing an off-campus training program can apply for a PE waiver; juniors and seniors pursuing an off-campus training program simply need to select an 8th period off in their schedule.

This packet includes:
