Home Page

The screenshot shows a website home page with a navigation bar at the top containing 'family connection', 'home', 'colleges', 'careers', and 'about me'. A green arrow points down from the 'family connection' header. Below the navigation bar, there is a 'pages' section with the text 'No custom pages or links are available at this time.' To the right, there is a 'what's new' section with three items: 'oxbridge Academic Program will be visiting your school on Monday, October 28th at 10:00 am [more info / register](#)', 'Baylor University will be visiting your school on Monday, October 28th at 9:30 am [more info / register](#)', and 'University of Richmond will be visiting your school on Friday, October 25th at 10:00 am [more info / register](#)'. Below this section, it says 'No Welcome Message is available at this time.' To the right of the 'what's new' section, there is a 'Get the mobile app! Naviance Student' banner with an 'Available on the App Store' button. Below the banner, there is a notification 'You have 7 new messages' circled in red, and two links: 'document library' and 'contact us'. A red arrow points from the bottom of the 'what's new' section to the '7 new messages' notification.
