

Westlake High School Schedule/Course Change Request Form 2019-20

Course change requests (i.e. dropping Accounting to add Debate) **must occur by September 4, 2019 for fall semester and by January 21, 2020 for spring semester.** You are expected to follow your printed schedule until you are notified that a change has been made. *If your schedule change request is approved, you are authorizing your counselor to change your entire schedule if necessary (including teacher changes) to accommodate your request. This also could mean that you have one teacher for the fall semester and a different teacher for the spring semester for the same course. Keep in mind, prerequisites must be met prior to enrollment in a course.*

- Priority changes include: having a hole in your schedule, enrolling in a course for which you've earned credit, and being enrolled in a course for which you do not meet prerequisites. **Requests for a specific lunch period will not be considered.**
- When requesting a **level change** (moving from an advanced course to a grade-level course in the same subject), priority will be given to students failing the class. Level changes require direct communication between parent and teacher, in addition to signatures by both on this form. **Level change requests should be completed by October 4, 2019 and by January 31, 2020.**
- If you are dropping or adding an athletic/activity class, a signature from the coach/director is required.
- We will not overload classes to accommodate schedule change requests.
